

Read through the Gospels in a Year Plan from CecilTaylorMinistries.com

The purpose of this Bible reading plan is to slow our reading, spend more time on contemplation, and focus primarily on learning about and worshipping Jesus. A few recommendations:

- * After reading, spend extra time considering what you have read and what you have learned about Jesus.
- * Use concordances or guides to better understand the passage and its context.
- * Stories occur across gospels. Compare how each author tells the story.
- * Each gospel is written differently and emphasizes different aspects of Jesus. Think about each gospel as you go and what the author is emphasizing.
- * Above all else, build a closer relationship with Jesus through this reading plan.
